600 Monument St – P127
Greenwood, SC 29646

Dear Coroner Cox,

As President of the International Association of Coroners and Medical Examiners (IAC&ME) and on behalf of those members that we represent, I would like to congratulate you on your accreditation with our association.

The Accreditation Auditors made it clear that the Greenwood County Coroner's Office makes every effort to provide the highest level of service to the citizens, neighbors and visitors of Greenwood County. This is accomplished by a dedicated team of well-trained investigators through timely and compassionate investigations of deaths occurring in their jurisdiction. They strive to maintain a mutually beneficial relationship with local law enforcement as well as with local EMS providers. Greenwood County Coroner's Office also takes advantage of every opportunity to educate and to build trust within their medical community and they are the voice of those who can no longer speak for themselves.

The IAC&ME is proud to say that the Greenwood County Coroner's Office is a great representation of what our association expects from an accredited office. The Accreditation certificate will be presented to you or your representative at the IAC&ME business meeting at the 2015 Annual Training Conference that will convene the week of June 26, 2015.

Respectfully,

John Fudenberg, D-ABMDI, President
IAC&ME
