The Committee Chairman, Charles Herndon, called the meeting to order by reading the following statements: In accordance with the Freedom of Information Act, notice of this meeting's date, time, location, and agenda was posted outside the main entrance of the Greenwood County Courthouse and the Greenwood County Library. Agendas were faxed to *The Index-Journal*, to local radio stations, and were posted on the Greenwood County website calendar.

Invited guests were present to provide more information on projects submitted.

Mr. Herndon led the meeting with discussion as follows:

- Discussed two road projects with guest – Mr. Ben Davis, member of DOT Commission. Purpose was to gain more information on several road projects.
- Discussed distressed aging storm sewer project at Ninety Six with Mr. Chris Hepler. Purpose was to gain more information on project.
- Mr. Tom Moore again appeared at the meeting representing a sewer project that he presented concerning the project at Compass Point located in Grand Harbor. Some discussion took place with the group concerning pros and cons of the project.
- After receiving the information the Infrastructure Committee continued the rating process associated with each project.

- Rossie Corwon and Jerry Timmons will update the projects list by combining the spreadsheets that each have been generating. This information will be provided at the next meeting. Also, Steve Reeves will present more information about a water project after talking with the CPW Commissioners.
- The group decided that the next meeting will be held on Thursday, March 10, 2016 at 1:30pm.

Mr. Herndon thanked everyone for their time.

Meeting was adjourned at approximately 11:05am.
