Dear Valued Business Owner:

Greenwood County would like to announce a renewed partnership with CGI Communications, Inc. to create a series of professional online videos to highlight everything our community offers residents, visitors, and business owners. This program will give many businesses in our community, who will be linked to our website, the opportunity to get noticed online. Visitors to the website will be able to access the links to these businesses from anywhere including through their mobile devices.

With an easily viewable interface on the official county website, this video program will encourage viewers to learn more about area attractions, education, economic development opportunities, and quality of life. We are dedicated to highlighting the advantages of living and working in Greenwood County, and we feel that this video program can be widely successful.

To learn more about sponsorship opportunities or to request an appointment please e-mail BrandonB@cgicomunications.com.

Best Regards,

Toby Chappell
County Manager
